

Why should my son become a member of the Thunderbolt Wrestling Club?

The experience our sons received from being members of the Thunderbolt Wrestling Club has helped them to compete on the Pius X High School Wrestling Team. - Kerr Family – member of Cathedral of the Risen Christ and Past Thunderbolt Club Managers Deb and Joe Kerr

Dads are encourage to get out on the mat with their sons during practice to not only learn and practice wrestling, but to build and grow in their relationship as fathers and sons. Edwards Family – Saint Mary's Parish

We found that our son was well prepared physically and mentally to participate in other sports after being involved in the Thunderbolt Wrestling Club – Benes Family – members of St Joseph Parish

Being member of Thunderbolt Wrestling Club taught our sons how to compete and the merits of self accomplishment. – Stewart Family – members of Blessed Sacrament Parrish

Our sons were able to meet and get to know other friends from other Catholic Schools and potentially future classmates at Pius X High School— Sasse Family— members of Saint Peters Parrish
