March 18, 2021

Ad maiorem Dei gloriam

Pius X High School is, in many regards, the next “home away from home” for so many of our young student-athletes. Many older siblings and/or family members have continued their academic and/or athletic careers, in that building located at 6000 A St. This family-like atmosphere and genuine pride, in our community, is the driving-force behind our success at all levels. Here at the Diocese of Lincoln Catholic Youth Sports League, our support of the Thunderbolts runs as deep as our support for our own Catholic grade schools.

One heartbeat unites us all.
