The Pius X Bowling program—in cooperation with the Lincoln Catholic Athletic League, School Principals, and Parish Pastors—will once again offer a Catholic Schools Bowling League for any student in grades 6, 7, and 8.

Over the last several years, students representing all Lincoln Catholic Schools have participated in this league. Our hope is to generate awareness among future Pius X students while giving those interested a jump start for high school bowling competition. Whether or not your student continues to bowl at the high school level, this league will allow them to meet other students throughout the diocese in a social and fun environment.

Ideally, we would like every school represented with at least one three-person team and multiple teams from each school are encouraged. Teams may consist of any combination of boys and girls in grades 6, 7, and 8, you may sign up as a team or as an individual. If there are not enough bowlers from your school to form a team we will combine schools.
